Subpart D—West Coast Groundfish—Limited Entry Trawl Fisheries

SOURCE: 75 FR 60897, Oct. 1, 2010, unless otherwise noted.

§ 660.100 Purpose and scope.

This subpart covers the Pacific coast groundfish limited entry trawl fishery. Under the trawl rationalization program, the limited entry trawl fishery consists of the Shorebased IFQ Program, the MS Coop Program, and the C/P Coop Program. Nothing in these regulations shall be construed to modify, impair, or supersede the operation of any of the antitrust laws. The trawl rationalization program creates limited access privileges. These limited access privileges, including the QS or IBQ, QP or IBQ pounds, and catch history assignments, may be revoked, limited or modified at any time in accordance with the MSA—and do not create any right of compensation to the holder of the limited access privilege if it is revoked, limited, or modified. The trawl rationalization program does not create any right, title, or interest in or to any fish before the fish is harvested by the holder and shall be considered a grant of permission to the holder of the limited access privilege to engage in activities permitted by the trawl rationalization program.

[75 FR 78383, Dec. 15, 2010]

§ 660.111 Trawl fishery—definitions.

These definitions are specific to the limited entry trawl fisheries covered in this subpart. General groundfish definitions are found at § 660.11, subpart C.

Accumulation limits mean the maximum extent of permissible ownership, control or use of a privilege within the trawl rationalization program, and include the following:

50 CFR Ch. VI (10–1–12 Edition)

(1) *Shorebased IFQ Program.* (i) *Control limits* means the maximum amount of QS or IBQ that a person may own or control, as described at § 660.140(d)(4).

(ii) *Vessel limits* means the maximum amount of QP a vessel can hold, acquire, and/or use during a calendar year, and specify the maximum amount of QP that may be registered to a single vessel during the year (QP Vessel Limit) and, for some species, the maximum amount of unused QP registered to a vessel account at any one time (Unused QP Vessel Limit), as described at § 660.140(e)(4).

(2) *MS Coop Program.* (i) MS permit usage limit means the maximum amount of the annual mothership sector Pacific whiting allocation that a person owning an MS permit may cumulatively process, no more than 45 percent, as described at § 660.150(f)(3)(i).

(ii) MS/CV permit ownership limit means the maximum amount of catch history assignment that a person may own, no more than 20 percent of the MS sector's allocation of Pacific whiting, as described at § 660.150(g)(3)(i).

(iii) Catcher vessel usage limit means the maximum amount of the annual mothership sector Pacific whiting allocation that a vessel may catch, no more than 30 percent, as described at § 660.150(g)(3)(ii).

Catch history assignment or CHA means a percentage of the mothership sector allocation of Pacific whiting based on a limited entry permit's qualifying history and which is specified on the MS/CV-endorsed limited entry permit.

Catcher/processor coop or C/P coop means a harvester group that includes all eligible catcher/processor at-sea Pacific whiting endorsed permit owners who voluntarily form a coop and who manage the catcher/processor-specified allocations through private agreements and contracts.

Catcher/Processor Coop Program or C/P Coop Program means the C/P Coop Program described at § 660.160, subpart D.

Charterer means, for the purpose of economic data collection program, a person, other than the owner of the

vessel, who: entered in to any agreement or commitment by which the possession or services of the vessel are secured for a period of time for the purposes of commercially harvesting or processing fish. A long-term or exclusive contract for the sale of all or a portion of the vessel's catch or processed products is not considered a charter.

Complete economic data collection (EDC) form means that a response is supplied for each question, sub-question, and answer-table cell. If particular question or sub-question is not applicable, "NA", must be entered in the appropriate space on the form. The form must also be signed and dated to certify that the information is true and complete to the best of the signatory's knowledge.

Coop agreement means a private agreement between a group of MS/CV-endorsed limited entry permit owners or C/P-endorsed permit owners that contains all information specified at §§ 660.150 and 660.160, subpart D.

Coop member means a permit owner of an MS/CV-endorsed permit for the MS Coop Program that is a party to an MS coop agreement, or a permit owner of a C/P-endorsed permit for the C/P Coop Program that is legally obligated to the C/P coop.

Coop permit means a Federal permit required to participate as a Pacific whiting coop in the catcher/processor or mothership sectors.

Designated coop manager means an individual appointed by a permitted coop that is identified in the coop agreement and is responsible for actions described at §§ 660.150 (for an MS coop) or 660.160 (for a C/P coop), subpart D.

IBQ pounds means the quotas, expressed in round weight of fish, that are issued annually to each QS permit owner in the Shorebased IFQ Program based on the amount of IBQ they own and the amount of allowable bycatch mortality allocated to the Shorebased IFQ Program. IBQ pounds have the same species/species group and area designations as the IBQ from which they are issued.

IFQ first receivers mean persons who first receive, purchase, or take custody, control, or possession of catch onshore directly from a vessel that

harvested the catch while fishing under the Shorebased IFQ Program described at § 660.140, subpart D.

IFQ landing means an offload of fish harvested under the Shorebased IFQ Program described at § 660.140, subpart D.

IFQ trip means a trip in which the vessel has a valid fishing declaration for any of the following: Limited entry midwater trawl, non-whiting shorebased IFQ; Limited entry midwater trawl, Pacific whiting shorebased IFQ; Limited entry bottom trawl, shorebased IFQ, not including demersal trawl; Limited entry demersal trawl, shorebased IFQ; or Limited entry groundfish non-trawl, shorebased IFQ.

Individual bycatch quota (IBQ) means the amount of bycatch quota for an individual species/species group and area expressed as a percentage of the annual allocation of allowable bycatch mortality to the Shorebased IFQ Program. IBQ is used as the basis for the annual calculation and allocation of a QS permit owner's IBQ pounds in the Shorebased IFQ Program. Both IBQ and QS may be listed on a QS permit and in the associated QS account. Species for which IBQ will be issued for the Shorebased IFQ Program are listed at § 660.140, subpart D.

Individual fishing quota (IFQ) means a Federal permit to harvest a quantity of fish, expressed as a percentage of the total allowable catch of a fishery that may be received or held for exclusive use by a person. An IFQ is a harvest privilege that may be revoked at any time in accordance with the Magnuson-Stevens Act. IFQ species for the Shorebased IFQ Program are listed at § 660.140, subpart D.

Inter-coop means two or more permitted coops that have submitted an accepted inter-coop agreement to NMFS that specifies a coordinated strategy for harvesting pooled allocations of Pacific whiting and non-whiting groundfish.

Inter-coop agreement means a written agreement between two or more permitted mothership coops and which contains private contractual arrangements for sharing catch and/or bycatch with one another.

Lessee means, for the purpose of economic data collection program, a person, other than the owner of the vessel or facility, who: was identified as the leaseholder, in a written lease, of the vessel or facility, or paid expenses of the vessel or facility, or claimed expenses for the vessel or facility as a business expense on a federal income tax return, or on a state income tax return.

Material change means, for the purposes of a coop agreement, a change to any of the required components of the coop agreement, defined at §§660.150 and 660.160, subpart D, which was submitted to NMFS during the application process for the coop permit.

Mothership coop or MS coop means a group of MS/CV-endorsed limited entry permit owners that are authorized by means of a coop permit to jointly harvest and process from a single coop allocation.

Mothership Coop Program or MS Coop Program means the MS Coop Program described at §660.150, subpart D, and includes both the coop and non-coop fisheries.

Mutual agreement exception means, for the purpose of §660.150, subpart D, an agreement that allows the owner of an MS/CV-endorsed limited entry permit to withdraw the permit's obligation of its catch history assignment to a permitted mothership processor, when mutually agreed to with the mothership processor, and to obligate to a different permitted mothership processor.

Pacific halibut set-aside means an amount of Pacific halibut annually set aside for the at-sea whiting fisheries (mothership and C/P sectors) and which is based on the trawl allocation of Pacific whiting.

Pacific whiting IFQ fishery means the Shorebased IFQ Program fishery composed of vessels making Pacific whiting IFQ trips pursuant to the requirements at §660.131 during the primary whiting season fishery dates for the Shorebased IFQ Program.

Pacific whiting IFQ trip means a trip in which a vessel registered to a limited entry permit uses legal midwater groundfish trawl gear with a valid declaration for limited entry midwater trawl, Pacific whiting shorebased IFQ,

as specified at §660.13(d)(5)(iv)(A) during the dates for the Pacific whiting IFQ fishery primary season.

Processor obligation means an annual requirement for an MS/CV-endorsed limited entry permit to assign the amount of catch available from the permit's catch history assignment to a particular MS permit.

Quota pounds (QP) means the quotas, expressed in round weight of fish, that are issued annually to each QS permit owner in the Shorebased IFQ Program based on the amount of QS they own and the amount of fish allocated to the Shorebased IFQ Program. QP have the same species/species group and area designations as the QS from which they are issued.

Quota share (QS) means the amount of fishing quota for an individual species/species group and area expressed as a percentage of the annual allocation of fish to the Shorebased IFQ Program. The QS is used as the basis for the annual calculation and allocation of a QS permit owner's QP in the Shorebased IFQ Program. Both QS and IBQ may be listed on a QS permit and in the associated QS account. Species for which QS will be issued for the Shorebased IFQ Program are listed at §660.140, subpart D.

Shorebased IFQ Program means the Shorebased IFQ Program described at §660.140, subpart D.

Vessel account means an account held by the vessel owner where QP and IBQ pounds are registered for use by a vessel in the Shorebased IFQ Program.

[75 FR 60897, Oct. 1, 2010, as amended at 75 FR 78383, Dec. 15, 2010; 76 FR 74739, Dec. 1, 2011]

§ 660.112 Trawl fishery—prohibitions.

These prohibitions are specific to the limited entry trawl fisheries. General groundfish prohibitions are defined at §660.12, subpart C. In addition to the general prohibitions specified in §600.725 of this chapter, it is unlawful for any person or vessel to:

(a) *General*—(1) *Trawl gear endorsement*. Fish with groundfish trawl gear, or carry groundfish trawl gear on board a vessel that also has groundfish on board, unless the vessel is registered for use with a valid limited entry permit with a trawl gear endorsement, with the following exception.
